God's Covenant with Noah

Genesis 8:20 - 9:17

Introduction: Signs & Symbols

God's Covenant with Noah shows us...

- God's response to one righteous man's sacrifice (8:20-22)
- Humanity's sin must not fill the earth with violence again (9:1-7)
- Humanity's sin needs more than a worldwide-washing (9:11)
- God's commitment to His Creation and His children (9:8-17)
- God's patience for "everyone to come to repentance" (2 Peter 3:10)

Conclusion: A Rainbow & A Cross

Questions for Reflection & Discussion:

1. What was one point from the Bible passage or message that left an impression on you? Why?
2. What is a 'covenant'? Why does God make covenants with His people, e.g. Noah?
3. Why did God make this particular covenant with Noah? What does this teach us about God, sin, and His plan for the world?
4. Read 2 Peter 3:3-10. Why does our God still show the unbelieving world patience?

Prayer Points

Our People

Pastor Emeritus Quek Swee Hwa

underwent an emergency operation this past Wednesday to clear a bowel obstruction caused by a hernia. We thank God that the condition was resolved successfully via laparoscopic surgery without the need for resection. Please pray for a smooth and speedy recovery, in particular for gut peristalsis to be regained so that he will be able to consume liquid and solid food soon. Pray for added strength and grace for Mrs Esther Quek who is the main caregiver and for Sharon and Karen too as they juggle between their work and care for their father.

Radha Thomas needs our continued prayer for her recovery from surgery as the progress has been very slow. She has yet to take in food or liquid via mouth for the past 4 weeks, please pray that gut peristalsis will be regained soon. Pray also for other complications that have surfaced to be resolved and treated effectively. Ask the Lord to lift her weary spirit and strengthen her faith as she trusts in Him for healing. Pray for Chacko as he brings encouragement to her through his daily visits whilst continuing with his writing and speaking ministries that the Lord will sustain him with health and strength.

Seniors360 - We thank God for the many seniors in our midst, reminding us how blessed we are to be an intergenerational family at Zion Bishan. Pray that as our seniors community

grows, there will be more among us willing to step forward to love and serve the seniors both in our church, and also beyond our walls, knowing the joy and privilege we have when we see the fruit of our labour unto the Lord.

Our World

India – Various partners have shared many health-related, church-building and other needs for the field. Pray that God will meet these needs in His good time and for them to trust God through these challenges. Praise God that He is opening doors for a possible ministry to be planted in a northwestern state in a local community where people are very welcoming and eager. May God raise more workers from these communities of Jesus followers as they are nearer in culture and language and are therefore good channels for the gospel.

Lebanon – One partner in Beirut updated that they have been able to provide 300 hot meals portions per day and started programmes for women and children fleeing from south Lebanon. Thank God that they continue sharing the love of Christ through food, hygiene resources and children programmes to its neighbours despite these difficult circumstances. May God continue to strengthen and enable His people in Lebanon and the region to live and witness for Christ.

Genesis: God' Word in Season to Us (Part 2)

This weekend, we celebrate Zion Bishan's 30th Anniversary. As we do so, it is right that we intentionally take time to reflect on our journey as a church family, and to acknowledge the LORD's guiding hand through the years.

Last Sunday, we saw how Noah built an altar and offered burnt offerings on it after the Flood, and how that offering of clean animals and birds was **a pleasing aroma to the LORD**.¹

Perhaps a good question to pause and ask this weekend is **how have we as a Zion Bishan family been a pleasing aroma to the LORD** these past 30 years? Reflecting on what has pleased the LORD so far will help us look forward to doing more of the same in the coming years.

As a vibrant and growing church community, we might be tempted to point to key milestones in our history – such as building projects, memorable events or our growth in the past years. While these are good and to be cherished, God's Word to us in Season, the book of Genesis, helps us remember what really pleases the LORD when He looks at our church family.

Ps Dev and I both pointed out in our respectively sermons last Sunday that Noah's burnt offering is an atonement sacrifice in the Levitical Law². A blood sacrifice must be offered so that God to be pleased and have restored relationship with sinful man. **This foreshadows the One and Only Person who can please our Holy God – the Only perfectly clean and unblemished Lamb who sacrificed Himself for us.**

¹ Genesis 8:20-21

² Leviticus 1:3-4 and 1:9,13,17

What an important truth to remember as we remember our past and look to the coming years of the Zion Bishan story. The One and Only way God looks at us and is pleased....is when He sees the Lamb that was slain for us, and our right response is to live like the Lamb in thankfulness for what He has first done for us³. Let us not forget that key lesson from our time in Revelation.

The Apostle Paul puts it this way to the Corinthians:

¹⁴ But thanks be to God, who in Christ always leads us in triumphal procession, and **through us spreads the fragrance of the knowledge of him** everywhere. ¹⁵ For **we are the aroma of Christ to God** among those who are being saved and among those who are perishing...⁴

Whatever may come in the future of Zion Bishan, may this be our constant prayer: That we will indeed be a people where the fragrance and aroma of our Saviour King Jesus is so powerful, that anyone who comes into contact with us will desire to know Him too. May the LORD truly be pleased in Zion Bishan in the years to come!
